INSTRUCTIONS FOR COMPLETING AN ELECTRICAL PERMIT APPLICATION:

Residential

New single family dwelling - for new construction only, enter 1.

Each additional unit - enter # of units for each residential unit above 1 (new construction only.)

Additions, renovations, alterations, etc. - enter either the contractor's estimate or, if completing the work yourself, enter the estimated cost of materials.

Please note that multi-family dwellings and non owner-occupied single family dwellings require a NH Master licensed electrician.

Commercial

New construction, additions, renovations, etc. - enter the estimated cost of the work to be completed.

Commercial projects require a NH Master licensed electrician.

Low voltage & control wiring, etc.

For projects costing \$0 - \$2,000, enter 1

For projects costing \$2,001 - \$25,000 enter 1

For projects costing \$25,001 and above enter the estimated cost

Brief description of work

Provide a summary of the work to be completed (ie. service upgrade, wiring for addition, etc.).

NOTE: No applications will be processed which are not signed, do not contain an estimated cost or require a NH Master licensed electrician. If you have questions, please feel free to contact our office.
